

Advancing STEM for All: Sharing Cutting Edge Work and Community Discourse

To be held as an interactive event online on

May 17th – 23rd 2016

<http://stemforall2016.videohall.com>

2016 VIDEO SHOWCASE

for all 2016

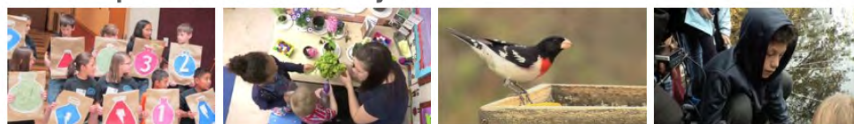

Advancing STEM Learning for All: Sharing cutting edge work and community discourse

We invite you to be a presenter. Share a 3-minute video of your project's work and participate in collegial discourse. This year's theme is broadening participation and increasing access to quality STEM and CS learning experiences.

Have Questions? Email us at contact@stemforall2016.videohall.com
